

Hendrix's Headlines

Weeks of November 25 - December 6

Notes from Mrs. Hendrix

- We will be collecting items for Operation Christmas through November 26. These items go to help those in need in our community. For every item students bring in they will get an armband!
- Please remember that we are in the winter months now, and that it can get pretty chilly on the playground. We go outside as long as the temp is above 25 degrees, and there are sometimes we go out when it is a little cooler. Please help your child make it to school with a **WARM** coat.
