

# Hendrix's Headlines

Weeks of February 17-28

## Notes from Mrs. Hendrix

**Spelling** — Students will be testing on List #12 on 2/21 and then they will test on List #13 on 2/28. This will help us to get back on a two week rotation that matches our other units of study.

**SUPPLIES STILL NEEDED!** We are still running short on pencils and some students are starting to run out of pages in some of their notebooks/journals. Please check with your child to make sure they are not running low on either of these. I would also appreciate donations of pencils.

**Screenings** — If you have, or know someone who does, a pre-k or kindergarten aged child please let them know screenings will be held on 2/35 (pre-K) and 3/4 (K).

If you read this newsletter to your child send in a note and they will earn bonus points!

## This week in class:

**Reader's Workshop:** We will be working on non-fiction and poetry over the next two weeks.

**Writer's Workshop:** We will be working on writing an informational pieces.

**Math:** Test on 2/28

**Social Studies:** We will be working on Chapter 6 which covers the Civil War. The test will be on 2/28. Students will be asked to complete two writing prompts for this test.

**Science:** We will be covering Chapter 10 which talks about motion. There won't be an end of chapter assessment, but students will be doing some experiments.
