

Hendrix's Headlines

Weeks of January 13-24

Notes from Mrs. Hendrix

- It's winter time in Missouri and we all know what that means! It can be spring when you leave the house and blizzard by the time you return. Please make sure your child wears the appropriate winter clothing to school. Our school policy is that if it is 25 degrees or warmer we go out for recess.
- We have started our Westward Ho! Project. For this project we will be forming families and traveling west in covered wagons. We will have a celebration once we all make it west. This is a fun project that the students really enjoy, so be sure to ask them about it.
